

# Club Site Content Management

## Adding Participants to a Club Site

1. In your Club Site, click **Site Info** in the left navigation bar.
2. Click the **Add Participants** link at the top of the Site Info page.

3. In the **Add Participants** field, type the email address or username of the participant you want to add.
4. Select whether you will **assign all participants to the same role** or **assign each participant a role individually**.

5. Click **Continue**.
6. Select the role(s) for the new participant(s).
  - a. **Access:** read only
  - b. **Maintain:** read/write
7. Click **Continue** three times.
8. Click **Finish**.
